

Leading for the Future Masterclass

Your organisation's senior leaders set the climate for *everyone*. The leadership behaviours they demonstrate, reward and sanction determine the organisation's culture.

Numbers: 4-15

Duration: ½ or full day

- ▶ 70% - Creating Culture
- ▶ 20% - Managing Change
- ▶ 10% - Driving Performance

Santander

Amazingly well received. This session generated a sense of inspiration and learning for our senior team

½ Day: £2995

Full Day: £3495

*Prices are Ex-VAT

Who will it benefit?

Senior Leaders with large teams and broad strategic responsibility.

How will it help the delegate?

This masterclass gives delegates a fresh perspective on the human element of managing a team in a rapidly changing, uncertain environment and how they can improve the example they set for all.

What does the masterclass cover?

Emotional Intelligence, The Trust Equation Model, Just Culture, Black-box thinking, Growth Mindset, Blame Culture, Ownership Culture and Psychological Safety

Learning Outcomes

- Heightened self-awareness Of EQ
- A greater ability to build trust
- An understanding of black-box thinking and the need to create a just, no-blame, learning organisation mindset.
- A greater appreciation of the need to invite autonomy.
