

## Introduction for Brendan Hall

**What's** the most important thing we, as [colleagues/leaders](#) within this organisation, can do to enable our teams to confidently face the challenges coming toward us?

**What** little things can we do each day to strengthen our collaboration, take bold action and feel full ownership.

**Our keynote speaker** today is one of only 10 people in the world to lead the winning team in an event called The Clipper Round the World Yacht Race – A record-breaking 40,000 nautical mile race around the world, contested by non-professional sailors on 70-foot ocean racing yachts.

**He's here** to share some of the most challenging parts of that experience and share the lessons he and his team learned about teamwork and collaboration from an unforgiving, life & death environment.

**Please** welcome, Brendan Hall.
